The Salvation Army is giving students a chance to volunteer at the Christmas Angel Program & Gift Wrap Event. The event provides gifts to underprivileged children in our community. Volunteers will wrap gifts and give them to kids to make their Christmas a happy one. Volunteering will take place through December 20th at the Chandler Fashion Center. ## Human of GLAAZ

Enas Hamid, along with her Marie "Curies" Advisory, coordinated a Food Drive for Hungry Families last month. Enas wrote a letter to our Girls Leadership and Florence Crittenton Family to let them know about their community service project and how they could help with the cause. On the Daily Announcements each day, Enas reminded GLAAZ students about the drive. Her advisory is conducting another food drive this month.

"I like to help others in need. It makes me feel good."
