Sección en Español

Me llevo Marcia Balderrama. Soy una estudiante de segundo año de preparatoria. Es mi primer año estudiando en este país y

será la primera vez que se agregará una “Sección en Español” para este artículo. Mi experiencia en Girls Leadership Academy ha sido muy buena. Esta es una escuela que nos brinda muchas oportunidades a todas las alumnas y nos ayuda a cumplir nuestras metas. Actualmente soy parte del equipo de básquetbol y formar parte de Lady Warriors, es una experiencia muy bonita y divertida. En cada práctica nuestra entrenadora nos reta a hacer lo mejor que podamos y eso anima a nuestro equipo.
