Graduation Requirements

The Girls Leadership Academy of Arizona is a 21st century school. As such, the graduation requirements reflect our commitment to support all our young people to be college and career ready in an increasingly global, competitive, and diverse world. All high school courses are aligned to the Arizona College and Career Readiness Standards. Additionally, all students will benefit from a school-wide advisory program designed to develop leadership skills. Students may enroll in concurrent college courses that will meet high school graduation requirements and earn both high school and college credit. All students will be expected to complete a Community Service component which allows them to work to benefit

the community. In the senior year, there is a heavy emphasis placed on career development, and students may complete a job internship. By senior year, GLAAZ students are expected to have accumulated at least 100 hours of service and engagement benefiting the community.

25 HOURS OF COMMUNITY SERVICE REQUIRED EACH SCHOOL YEAR

Civics Test

The Civics Exam is a state-mandated test required by law with the passage of American Civics Act by the Arizona State Legislature in January of 2015. Beginning in the 2016-2017 school year a requirement that, in order to graduate from high school or obtain a high school equivalency diploma, a student must correctly answer at least sixty of the one hundred questions listed on a test that is identical to the civics portion of the naturalization text used by the United States citizenship and immigration services.

CPR

Beginning with the Class of 2020 the State of Arizona is requiring all graduates to complete a CPR training session with hands on practice.

Grades

Grades are an evaluation of what has been learned. They become part of a permanent record that lasts forever. Institutions of higher learning, potential employers, and the various military services are interested in student records.

Policy

Each teacher will provide students and parents with their grade policy. This includes information regarding homework, assessments, re-tests, etc.

Grade Changes

Grade changes can only be made by the assigned teacher. A grade change form must be signed and submitted to the registrar.

Grading Scale

Grade	Un-Weighted	Weighted
A+	4.33	5.33
A	4.00	5.00
A-	3.67	4.67
B+	3.33	4.33
B	3.00	4.00
B-	2.67	3.67
C+	2.33	3.33
C	2.00	3.00
C-	1.67	2.67
F	0.00	0.00

Report Cards

Report cards are issued at the end of each quarter. Academic grades encompass an evaluation of homework, test grades, class work, quizzes, reports, projects, portfolios, and class participation.

Exams

Final exams are scheduled in all classes at the end of each semester (each quarter for .5 credit classes). Taking exams early must be approved by the building administrator, not individual teachers.

Full Time Student

All students must take a minimum of 3 block classes in order to be considered a full time student. GLAAZ does not enroll or maintain part time students.

Late Enrollment

Any student enrolling in GLAAZ after the 40th day will only be given audit status in that class unless they bring a grade for their 39 days of work from their previous school or if they are enrolling in a 9 week class.

Homework

Homework is an important part of our educational program and will be assigned on a regular basis to help prepare students for the rigor of college coursework. At GLAAZ, homework assignments are purposeful and may either continue/extend class work or serve as practice/preparation for the next class period. GLAAZ teachers assign homework for the purpose of review, practice, reinforcement, preparation, inquiry, application, and enrichment.

GLAAZ teachers recognize that the time required for the completion of assignments will vary from student to student and that actual time needed to complete homework assignments will vary with each student's study habits, academic skill, and obligations outside school. When planning homework assignments, teachers will be aware of the demands of other disciplines.

The successful completion of homework assignments plays an important part in evaluating student leadership skills as well as determining their eligibility for college classes. To that end, students are expected to turn in all work on time. It is important for parents and teachers to share a mutual responsibility of encouraging completion of assignments. We also believe there is a positive correlation between the completion of homework and a student's success in class.

In order to support GLAAZ's Homework Policy, teachers will:

- Assign relevant, challenging and meaningful homework that reinforces classroom learning.
- Provide homework assignments that are specific, within the student's ability and have clearly defined expectations.

- Answer and clarify questions pertaining to the completion of all homework assignments.
- Provide specific and timely feedback on homework assignments.
- Communicate with other teachers.
- Involve parents and contact them if a pattern of late or incomplete homework develops.

At the teacher's discretion, students may be required to complete missing assignments by attending 5th period class or work on assignments during lunch or before school. If assigned 5th period, it is mandatory to attend. (Please refer to attendance policy for more information.)

Honor Roll

At the end of each semester Honor Roll lists will be posted. The following criteria will be used to govern eligibility:

- All courses taken for credit are utilized in the computation
- Any student receiving a failing grade in any subject will be ineligible for consideration.
- Un-weighted GPA-s are utilized for computation

Honor Roll= minimum of a 3.0 GPA

Principal's List = minimum of a 3.5 GPA

Class Rank

Students will be ranked on the basis of their grade point average and will include all courses the student has taken. Computations for ranking purposes will be carried out to three (3) decimal places. Both weighted and unweight GPA's are included on the student's transcript; however, class rank is based on the weighted GPA.

Weighted Grades

AP and Honor classes are offered at GLAAZ. These AP and Honor classes are weighted on a 5 point scale. These along with any weighted transfer grades will be recorded as such on a student's GLAAZ transcript.

Credits from Other Schools

Students planning to take classes outside of GLAAZ must receive permission from the GLAAZ administrators. If approved, it is the student's responsibility to bring a copy of that transcript to the registrar.

Plagiarism/Cheating Statement

Plagiarism is an act of intellectual dishonesty. GLAAZ students, by signing this handbook, understand that it is academically unethical and unacceptable to:

- Submit an essay written entirely or in part by another student as if it were their own.
- Download an essay from the internet, then quote or paraphrase from it, in whole or in part, without acknowledging the original source.
- Restate a phrase verbatim from another writer without acknowledging the source.
- Paraphrase part of another writer's work without acknowledging the source.
- Reproduce the substance of another writer's argument without acknowledging the source.
- Take work originally done for one instructor's assignment and re-submit it to another teacher.
- Cheat on tests or quizzes through the use of hidden notes, viewing another student's paper, revealing the answers on their own paper to another student, through verbal or textual communication, sign language, or other means of storing and communicating information, including electronic devices, recording device, cellular telephones, headsets, and portable computers.
- Copy another student's homework and submit the work as if it were the product of their own labor.

NOTE: "Five words or more in sequence have to be cited by quotation marks and proper attribution."

Consequences for Plagiarism/Cheating Guidelines

The offenses for cheating/plagiarism are kept on record and will be considered for the student's entire four year high school enrollment. Students involved in any way in academic dishonesty are subject to the following consequences.

First offense- Student is required to meet with a GLAAZ administrator for additional instruction on plagiarism and/ or cheating. Student will be required to re-do the assignment and re-submit which will result in a one grade level deduction.

And/Or- Student will receive a zero on the assignment along with parents being contacted, depending on severity of infraction.

Second offense- Student and/or parent(s) are required to meet with GLAAZ administration. The repeated incident of academic dishonesty can result in no credit for the class, for the semester.

GLAAZ protects the privacy and interests of the student or students involved, including any student reporting alleged wrongdoing. Personal information with respect to an incident of student academic misconduct will be treated in confidence and not released to any third party or student or the student's parent or legal guardian.

PowerSchool

It is the responsibility of students and parents to check their grades frequently online via PowerSchool. There is a Power School app that can be uploaded to your smart phone.

Schedule Changes

Changes in students' schedules are allowed only under specific circumstances. If there is a schedule conflict the student will fill out a schedule change request form and submit it to the administration for approval.

Transcripts

Transcripts are your official record of high school coursework. Check them at the end of each semester for accuracy.

Transcript Request Forms

Transcript request forms are available from the Registrar. Parents must sign a FERPA release.

Withdrawal from a Class

Any student who requests to drop a class after ten days will receive a grade of "F" in that class. No credit will be earned and the grade will be figured into the student's GPA.

Withdrawal from School

Students who withdraw from school are required to obtain an official withdrawal form from the office. This form must be initiated by the parent/guardian. When the student has been cleared by each teacher and has turned in all books, materials and iPad, an official withdrawal will be issued.

Protocol for Addressing Academic Concerns

Parents/guardians must make their first contact with the classroom teacher.

If the issue is not resolved, the following step is to meet with the classroom teacher and the Assistant Principal.

If this does not resolve the issue, the parent/guardian will meet with the Chief Academic Officer.

If this does not resolve the issue, the parent/guardian may request a meeting with the Superintendent.

Student Led Conferences

Student Led Conferences provide students the opportunity to take a more active role in the evaluation of their work and assists them in being more accountable for their learning. This style of conference, rather than the traditional parent/teacher conference, creates a unique partnership between the home and school. The student presents to a teacher, her parents, and another staff member about her progress, strengths, challenges and goals for the remaining semester. Research and experience have demonstrated that student led conferences offer many benefits including:

- A stronger sense of accountability among students
- A stronger sense of pride in achievement among students
- More productive student-teacher relationships
- The development of leadership and public speaking skills
- Greater parental participation in conferences
- Parental feedback gathered through parent satisfaction survey

ACTIVITIES

Fundraising

All fundraising activities must be approved by the Assistant Principal. All policies regarding student accounts and purchasing must be followed.

School Rules

All school rules will be in effect at all GLAAZ activities.

Student Government

Student Government is an elected, student-based civic organization designed to help promote school spirit and leadership among students.

Students participating will maintain a high standard of personal conduct. Members will demonstrate leadership qualities by serving as good examples of behavior through their words and actions.

All members will be expected to participate in approved activities, which will serve to enhance the quality of the school community.

The purpose of student government is:

- To develop positive attitudes and to practice good citizenship.
- To promote harmonious relations throughout the entire school.
- To promote positive student/faculty relationships.
- To improve school morale and general welfare.
- To provide a forum for student expression.
- To plan special events or projects.

ADMISSIONS POLICY

GLAAZ maintains an open enrollment admissions policy and does not discriminate on basis of race, creed, color, national origin, sex, or handicap in its educational programs or activities, as required by law.

- GLAAZ enrolls students on a first-come, first-served basis under the following guidelines:
- In accordance with ARS 15-184, GLAAZ enrolls all eligible pupils who submit a timely and complete application unless the number of applicants exceeds the capacity of a program, class, grade level, or building.
- Enrollment application packets must be fully completed and on file in the office before students are placed on the waiting list.
- Siblings of enrolled students and children of staff members have first right of preference.

ATHLETICS

Eligibility

In order to be eligible, athletes must maintain a C or better in all classes. Grade checks will occur every 3 weeks. If a student becomes ineligible, she will have the opportunity to improve her grades within the next week. An ineligible athlete must complete grade checks on a weekly basis until the next 3 week grade check. Ineligible athletes must attend 5th Hour tutoring and may attend practices; however, ineligible athletics may not travel with the team.

Sports Offered

Fall Season:	Volleyball
Winter Season:	Basketball
Spring Season:	Soccer
	Softball

Expectations

Your participation in athletics at GLAAZ is a privilege and should be treated as such. You are representing yourself, your family, and your school at all times and your behavior should be above reproach in all areas. Students, staff, parents, and the community will closely observe your conduct.

The rules outlined in the athletic handbook are designed and intended as a guide to successful participation. Failure to follow the rules is addressed in this handbook. As a student-athlete, you will be expected to understand and abide by these rules and your team's rules. It is your responsibility to follow them to their fullest.

Physicals

All athletes must have a current sports physical on file at GLAZZ. Physicals are current for one calendar year.

Insurance

The school does not carry insurance for student medical or dental costs if a student is injured during school activities. Parents are responsible for their children's insurance.

Release to travel to practice and games

All athletes must have a field trip request signed by a parent or guardian on file for each sport.

ATTENDANCE

Attendance is a critical aspect of learning and a crucial part of success at GLAAZ. The school will maintain a strict policy regarding attendance so that students will be able to take full advantage of the extraordinary opportunity extended to them. All students are expected to be regular and punctual in their attendance. Excessive tardiness or a pattern of unwarranted absenteeism is cause for loss of opportunity to earn course credit and/or administrative withdrawal. Punctual transportation to and from school is a student's responsibility; a missed bus, missed ride, or car problems is not a valid excuse for an absence.

GLAAZ requires all students to be enrolled full-time.

Attendance Policy

- A parent/guardian must call the school office (602-288-4518) before 8:00 a.m. to notify that their student is unable to attend school for the day.
- Please provide the following information:

Name of caller

Student's name and grade
Reason for absence

- If no parent phone call is received on the day of an absence, a student has 48 hours upon their return to school to provide a written note excusing the absence signed by parent/guardian. A student's absence will be considered excused only when verified by a parent/guardian. Falsely representing a parent/guardian in any way will result in disciplinary action.
- Attendance is taken each period. If students are truant to any or all classes, a call will be placed to the parent/guardian; by GLAAZ staff.
- Students will be responsible for making up missed work for the days missed.
- After a student has been absent for three days due to illness, the office will assist in obtaining assignments. If this service is necessary, a request should be made to the Administration office at 602-288-4518. Please allow 24 hours for teachers to prepare materials.
- A phone call from GLAAZ staff will be placed and written warning sent if your student receives three absences from class. Your student will be warned that they are in jeopardy of losing credit.
- A second notice will be sent if your student accumulates six absences in any one class. After six absences, the parent and student must attend a conference with a member of the administration team.

IMPORTANT NOTE: students who are over 18 years old and live with their parent/guardian are still required to have a parent/guardian excuse their absences.

Excused Absences are as follows:

- Personal illness.
- Medical appointments that cannot be made after school hours.
- Family emergency.
- Serious family illness or a death in the family.
- Religious observances (should be pre-arranged with GLAAZ Administration)

Unexcused Absences

An absence from school is unexcused if it does not meet the criteria categorized as an excused absence. This type of absence is also defined as truancy. Students will not receive credit for work missed during an unexcused absence. GLAAZ administration may cite the student, parent or guardian directly into court for violating the state truancy law. Absences will affect eligibility for participation in extra-curricular activities.

Re-admittance Notes for Excused Absences

Notes must contain the following information:

- The student's name.
- The reason for the absence.
- The date(s) of absence and class periods missed (if only a partial day).
- A parent/guardian signature with daytime phone number.

Appointments

If a student has an appointment with a doctor or dentist during the school day or if a student needs to be excused for any other valid reason, a parent or guardian must contact the GLAAZ office by telephone or send a note with their student to school. Written verification will be required from the doctor, dentist, or place of appointment for the time away from school to be excused. This note must be brought back from the appointment or returned the next school day.

Pre-arranged Off Campus Absences Off

Parents may request a pre-arranged absence from school for up to five days of instruction for such things as medical/dental appointments, religious holidays, educational trips, or emergencies. Students should pick up the form in

the GLAAZ Administration Office. After teachers have signed the form indicating any homework or comments on how the absence will affect grades, the student should take the form home for a required parent's signature and then return it to the GLAAZ Administration Office for final review and approval by the GLAAZ Administration.

Juniors and seniors are permitted three college visits during the school year. In order for these visits to not be recorded as an absence from school, the parent must pre-notify the school and the college must provide written verification of the student's attendance at their campus including date and time.

Tardies

The only excuse accepted for tardies will be when there is an unusual emergency and the school is notified by the parent/guardian. Tardiness results in disrupted class time and is not acceptable. The following is our tardy policy:

- Students will be admitted late to class only with a tardy slip from the office.
- After two unexcused tardies, notice will be given to the student and parent/guardian by school personnel, and a consequence will be assigned.
- After the fifth unexcused tardy during a semester, a parent/guardian conference will be held and appropriate disciplinary action will be taken.

Loss of Credit

Seven absences result in possible loss of credit if one or more absence is unexcused. However, if a student has lost credit in a class, the student has the right to appeal to the Attendance Appeals Committee for possible reinstatement of credit. The student is still expected to attend the class and do all assigned work. The Attendance Appeals Committee is made up of the GLAAZ Administration (or his/her designee), a teacher, and staff member. The student may bring parents, teachers, or other advocates to the appeal and should be prepared to discuss why the student credit should be reinstated. The appeal committee will either uphold loss of credit or reinstate credit with attendance and/or performance conditions. The student will receive an Incomplete (I) if the student does not pass the class at the end of the semester, and must follow the stipulations set out in the Incomplete Grade contract.

Absences for school related events are not included in this count.

Chronic Illness

ARS 15-346 provides for adjunct accommodations for students with chronic health problems. This is defined as "...pupils who are unable to attend regular classes for intermittent periods of one or more consecutive days because of illness, disease or accident but who are not homebound."

A Chronic Illness Health Plan may be put into place when a medically certified, chronic illness impacts attendance. Students may be exempted from the 90% attendance requirement, as well as be given modified assignments to replace what was covered during their absences.

Truancy

Arizona State Law (ARS 15-802 and ARS 15-803E) requires that every person who has custody of a child between the ages of six and sixteen ensure that child's attendance at school unless they are unable to attend due to illness or another legitimate reason. If a parent fails to comply with the law, they may be found guilty of a Class 3 Misdemeanor.

Makeup Work

Students are responsible to make up all work missed when absent from school. It is the student's responsibility to ensure all work is obtained from their teacher upon returning from any absence. The student has the amount of time equivalent to the number of days absent to submit the work.

Credit for work missed is not given when the student is truant or unexcused.

Fifth Hour Attendance

Fifth hour meets four days (2:45 pm – 3:30 pm) a week and is designed to provide additional teacher support for students to ensure that they do not fall behind. Each day, teachers identify which course(s) each student needs support in and assigns fifth hour in that area. Because students may need support in different areas at different times, their fifth hour may vary from day to day. If it is determined that a student does not need additional support, the student may leave school at 2:40 pm. However, if a student is assigned fifth hour, attendance is required and parents/guardians will be notified by phone or text. As a parent enrolling your daughter in GLAAZ, you must agree to support our fifth hour and ensure your child attendance. Consequences may be assigned for non-attendance.

CALENDAR

Please refer to the calendar listed on the GLAAZ website (<http://www.glaaz.org>) as occasionally adjustments need to be made.

CELL PHONES

Cell phones may be used in the cafeteria and hallways between classes. They are not to be used during class time unless under the direction of the classroom teacher. First offense is a verbal warning. Second offense the phone is confiscated for the day by an administrator. Third offense, parent must come to school to pick up the phone. Repeated offenses may result in discipline.

CLOSED CAMPUS

GLAAZ is a closed campus. Students are not permitted to leave the campus during the hours school is in session. This includes lunch hours. Parents requesting an exception must contact the office for an approval of their request. If a student needs to leave campus for any reason during the school day, a parent/guardian must sign them out in the front office.

COMMUNICATION

We wish to communicate with all parents and guardians. If communication is needed in a language other than English, please contact the office so that school staff may make arrangements.

To email a GLAAZ staff member utilize the following format:

firstnameinitiallastname@glaaz.org for example: vsaenz@glaaz.org

GLAAZ Administration Office Hours: Monday-Friday 7:30am-4:00pm

COMMUNITY SERVICE

All students are required to complete 25 hours of community service each school year. Basic guidelines include the following:

- Community service must be through a non-profit organization, library, church, hospital, food drive, community project, etc.
- Student and club activities (unless specifically designated by the club/sponsor/designee) do not count for community service hours. However, some hours such as approved/supervised student tutoring or mentoring may apply.
- Students cannot miss regularly scheduled classes to complete community service.
- Proper paperwork must be submitted.

COMPLAINTS

We are grateful for your time and support, and for entrusting us with the education of your children. Should you ever encounter a problem at school, please discuss it with the teacher first. If needed, the teacher will facilitate a conference

with you and the GLAAZ Administration as soon as possible. Doing this prevents uneasiness and tensions from building up. A well-balanced adolescent can only develop with the full cooperation of parents and teachers. We are ready and willing, at all times, to be of service to the students entrusted to our care.

We will listen to you and do what is best for all concerned. The following complaint procedure is in place:

- Express it promptly.
- Express it to the right person. Express complaints against specific individuals first to the individual in question and then to the GLAAZ Administration if you deem it necessary.
- Express it clearly.
- Do not broadcast it; you need only express your complaint to the person it concerns. Please help us avoid “parking lot” gossip.
- If necessary, arrange an informal meeting with the GLAAZ Administration before seeking any other resource. If the issue is not resolved in the meeting, the matter may be referred to the next level of review.
- If you are dissatisfied with the outcome of the meeting, please complete a Parent Complaint Form, available in the office. Upon receipt of the signed form, the GLAAZ Administration’s office will schedule a conference to be held within ten school days between the parent, teachers, staff members, and/or professionals whose input might be relevant to the issue in question. The GLAAZ Administration will write a summary of the proposed resolution.
- If the issue is not resolved to the parent’s satisfaction, the proposed resolution, along with all data, information forms, and other documentation pertinent to the matter at hand, shall be forwarded to the GLAAZ Administration’s office for a due process hearing and final decision.

CONFIDENTIALITY, DUTY TO WARN, CHILD ABUSE

There are certain circumstances under which the school will not be able to maintain the confidentiality of the student as clearly defined by counseling ethical standards and/or state law.

State and local laws require that the school report all cases of physical or sexual abuse or neglect of minors, a disabled person or the elderly. According to State Law (ARS 13-3620), failure to report child abuse is a misdemeanor. School employees must report non-accidental injury, suspected sexual molestation, abuse and neglect to the Maricopa County Sheriff’s Department of Child Safety (DCS). The school will not maintain confidentiality if a student threatens harm themselves or others.

A report of suspected child abuse, neglect, exploitation or abandonment is a responsible attempt to protect a child. Arizona law requires certain persons who suspect that a child has received non-accidental injury or has been neglected to report their concerns to DCS or local law enforcement (ARS §13-3620.A). YOU may be a child’s only advocate at the time you report the possibility of abuse or neglect. Children often tell a person with whom they feel safe about abuse or neglect. If a child tells you of such experiences, act to protect that child by calling the toll free **Arizona Child Abuse Hotline at 1-888-SOS-CHILD** (1-888-767-2445).

Any person who reasonably believes that a minor is or has been the victim of physical injury, abuse, child abuse, a reportable offense or neglect that appears to have been inflicted on the minor by other than accidental means or that is not explained by the available medical history as being accidental in nature, or who reasonably believes that there has been a denial or deprivation of necessary medical treatment or surgical care or nourishment with the intent to cause or allow the death of an infant who is protected under A.R.S. § 36-2281, shall immediately report or cause reports to be made of this information to a peace officer or to the Department of Child Safety, except if the report concerns a person who does not have care, custody or control of the minor, the report shall be made to a peace officer only.

The following persons are required by law to report:

- Any physician, physician's assistant, optometrist, dentist, osteopath, chiropractor, podiatrist, behavioral health professional, nurse, psychologist, counselor or social worker who develops the reasonable belief in the course of treating a patient.
- Any peace officer, member of the clergy, priest or Christian Science practitioner.
- The parent, stepparent or guardian of the minor
- School personnel or domestic violence victim advocates who develop the reasonable belief in the course of their employment
- Any other person who has responsibility for the care or treatment of the minor

A person making a report or providing information about a child is immune from civil or criminal liability unless such person has been charged with, or is suspected of, the abuse or neglect in question.

A person acting with malice who either knowingly and/or intentionally makes a false report of child abuse and neglect or who coerces another person to make a false report is guilty of a crime. A person who knowingly and intentionally falsely accuses another of maliciously making a false report of child abuse and neglect is also guilty of a crime.

Suspected Child Abuse Notification (A.R.S. 13-3620)

School personnel will comply with laws regarding child abuse and reporting to the Department of Child Protective Services.

DIRECTORY INFORMATION AND MILITARY RECRUITERS

GLAAZ will not release student information without written authorization; however, by law, we must release student’s names and phone numbers/addresses to military recruiters unless a signed opt out form is submitted to the front office at the beginning of the school year.

DANCES

The following regulations are enforced at all dances:

- Parent permission slips are required for GLAAZ students and for their guests
- Students are subject to the same rules of conduct and discipline as during the school day
- Appropriate attire is required
- Students and guests may not leave a dance early without prior parent approval.

School Safety Reporting (A.R.S. 15-153)

Harassment, Bullying, Hazing and Threats of Harm (A.R.S. 15-341)

GLAAZ is committed to providing all students and staff with a safe school environment in which all members of the school community are treated with respect. Accordingly, students have the right to be free from any form of harassment, bullying, hazing or threat of harm. Students have the right and responsibility to report harassment, found to be involved in these activities are subject to disciplinary consequences that may include warning, censure, suspension or expulsion from school, depending on the severity of the incidences and/or frequency of offenses. Counseling, mediation, community service and other programs where the student takes responsibility for the action may be used as alternative consequences.

Harassment or bullying is conduct that interferes with or limits the ability of an individual to participate in or benefit from the district’s programs or activities. The conduct includes, but is not limited to oral, written, graphic, electronic or physical in nature. Bullying is any behavior that subjects a student to insults, taunts or challenges that are likely to intimidate or provoke. Harassment categories include, but are not limited to, gender, race, religion, handicapping

conditions or sexual orientation. Harassment or discrimination against individuals who are immigrants, who speak another language or speak with a foreign accent, is also a violation of this policy.

Threats include any form of verbal or written statements or any other behavior that suggests that a person may do harm to another person or property. Students who threaten persons or property may be referred for expulsion or long-term suspension unless the administrator and parent agree that the student will participate in programs such as mediation or community service.

Threats against the life or health of another person are serious offenses and are subject to immediate removal from the school environment and investigation into the potential seriousness of the threat. Students who threaten the life of another student or adult may be subject to expulsion from school. In cases of threats perceived to be serious by Administration, the parent has the option of a psychological evaluation conducted by a trained school psychologist to evaluate and explore possible contributing factors in a student's aggressive behavior.

If you are being harassed, intimidated, threatened or bullied: Make your feelings clear; tell the person who is harassing, intimidating or bullying you to stop. A bully may think you support the harassing, intimidating or bullying if you do not speak up. If the harassing, intimidating or bullying continues after telling them to stop, report the activity to the teacher, counselor, principal or other adult.

If you see someone being harassed, intimidated, threatened, or bullied: Never join in the harassing, intimidating or bullying behaviors. Resist any peer pressure to take part in abusive behavior. Help the person being bullied get out of the situation safely, ask if it has happened before, and encourage them to report the harassment to the teacher, counselor, principal, or other adult.

Hazing is defined as any intentional, knowing or reckless act committed by a student, whether individually or in concert with other persons, against another student, and in which both of the following apply:

- The act was committed in connection with an initiation into an affiliation with, or the maintenance of, membership in any organization that is affiliated with the school;
- The act contributes to a substantial risk of potential physical injury, mental harm or degradation, or causes physical injury, mental harm or personal degradation.

Organizations that violate the hazing policy may forfeit their right to conduct operations on the campus.

Any staff member who is directly involved in, knowingly permits, authorizes or condones any form of harassment, bullying, hazing or threats of harm is subject to disciplinary action by the administration and may be reported to law enforcement.

Discipline

Students must respect the reasonable authority of all teachers, administrators, and other staff members to control student conduct at school and school activities. Violations of stated school policies may result in discipline, suspension, or expulsion. Failure to comply with reasonable requests shall be construed as insubordination and cause for disciplinary action.

It is the responsibility of the staff and administration to set the tone for the educational progress of the students within the building. Students should be aware that the regulations related to students' dress, expected behavior, or procedures are not necessarily limited to the guidelines in this pamphlet. Extreme fads, or circumstances not covered will be treated as inappropriate by the administration. Students will be expected to do their part in maintaining the appropriate atmosphere and will be required to follow all directions given by any staff member. Failure to do so will be considered as insubordination and will unfortunately subject the student to disciplinary action. If students have questions regarding any circumstances not listed, the student should check with the GLAAZ Administration.

Campus Behavior

- Avoid using profanity and racial, ethnic, or sexual slurs
- Refrain from all forms of harassment and intimidation
- Respect of another's belongings
- No vandalism /damage to classrooms, restrooms or other school property
- Show respect and courtesy to others on campus: students, faculty, parents, guests, etc.
- Refrain from yelling
- Handle differences peacefully
- Treat all GLAAZ equipment with care and respect
- Proper behavior is expected at any school-sponsored activities
- GLAAZ is a drug, alcohol and tobacco free school

The “Good Neighbor” Policy: Student Conduct within the School Community (A.R.S. 13-201)

School rules and other reasonable expectations for student behavior are extended to include student conduct while going to and from school and while off campus during the normal school day. This includes the responsibility to observe traffic and pedestrian laws and the responsibility to act as a good neighbor, respecting the safety, welfare, and property of others during lunch hour. Failure to act as a good neighbor within the school community may result in disciplinary action (A.R.S. 13-201).

Drug Free School Zone (A.R.S. §13-3411)

The mission of the Drug Free School Zone is to guarantee a safe environment on and around the school campus. This will be accomplished through enhanced enforcement and prosecution of drug, weapon and other criminal laws as well as through the use of drug and gang awareness programs. With cooperation between local law enforcement, school districts, prosecutors, parents and the community-at-large, our children and their teachers will be afforded the fundamental right to a safe educational environment. Arizona law A.R.S. §13-3411 provides for stiffer penalties for those caught selling, using or possessing drugs within 1,000 feet of a school campus. Law enforcement authorities will be notified in any situation where a person is suspected of violating §13-3411.

Alcohol and Drug Violations and Arizona Drug Law (A.R.S. 13-3411)

Alcohol or drug violations on or within 300 feet of school property, at school events, or at any time the student is subject to the district's “good neighbor” policy will result in disciplinary action by school officials, notification of parents, and possible involvement of police. The following provisions of Arizona's Drug Law (A.R.S. 13-3411) are offered as a warning. Arizona judges have no discretion to impose less than mandatory prison sentences and fines.

Here is what could happen if you are under the influence, in possession of, or sell drugs on or within 300 feet of school property:

- If 18 or older, you will be tried as an adult.
- If convicted as an adult, your crime will be classified as a felony carrying a minimum mandatory prison sentence of three years and nine months and a minimum fine of \$2,000. (If convicted as a minor, you may be placed in the custody of the Department of Corrections or Juvenile Corrections until the age of 18.)
- If convicted of a drug offense, your driver's license will be suspended until age 18; if you do not have a driver's license, you may be denied a license until the age of 18.

Return to School

Whenever a student has been determined as using drugs for non-medical purposes and has returned after the appropriate suspensions, an effort should be made by school personnel and parent(s) or legal guardian(s) to prevent the problem from recurring. The process could include, but not necessarily be limited to, the following:

- Utilization of community-based programs
- Ongoing contact with student's counselor to determine need for additional support from community agencies

- An effort made by the student’s teachers or counselor to help the student emphasize the positive alternatives to drug-using behavior

Parental Involvement Regarding Drug Violations (A.R.S. 15-843)

Whenever there is a reasonable suspicion that a student is suspected of violating the school drug policy and is questioned by the school principal or designee, her parent(s) or legal guardian(s) shall be notified that such questioning took place. When it has been determined that a student has violated the school drug policy, the student parents shall be notified. Additionally, parent conferences are not only encouraged, but shall be required throughout any disciplinary procedures (see A.R.S. 15-843) relating to this section.

Drug Use by Persons other than Students or Employees (A.R.S. 13-2911)

Persons other than students or employees suspected of distributing, possessing, or under the influence of such substances, shall be reported to the principal or the person in charge. If the principal or person in charge is reasonably certain it has occurred, he/she shall inform law enforcement authorities, (see A.R.S. 13-2911) except that if it appears that the individual is an adult and is under the influence of alcohol and is not disorderly, then the principal or the person in charge shall use discretion in notifying law enforcement authorities and shall take action as seems appropriate.

Due Process

Any student whose behavior while on or around campus is alleged to be in violation of GLAAZ’s expectations for our learning community shall be referred to the administration for disciplinary action. It is the policy of GLAAZ to remove students from class who are disruptive to the educational process. It is the role of the student to be accountable for the student behavior in class. If a student is unable to work appropriately in class, the student shall be removed from the class. Minor infractions of the rules and regulations concerning student conduct will be handled by the faculty and administration.

Every student has the right to education. Whenever a student is deprived of their right to education through disciplinary proceedings such as suspension or expulsion, the student is entitled to due process. This right to due process includes the right to notice and a fair hearing prior to the administration of long-term suspension or expulsion. Suspensions less than ten days are not appealable.

Suspension (A.R.S. 15-Chapter 8, Article 843)

When a student has been referred to an administrator for a violation of school regulations, the administrator will determine the nature of the violation and the resulting disciplinary action to be imposed if the charges are found to be accurate. The administrator then decides if the violation would subject the student to the possibility of a short-term or long-term off-campus suspension. GLAAZ will inform the parent in a timely manner to inform them of the impending suspension. In instances where the action by the student has the potential to endanger their safety, the safety of others, or cause a severe disruption in the relationship with GLAAZ and Florence Crittenton Services of Arizona or other institutions which have an agreement with GLAAZ to provide services necessary for the successful operation of the school, the issue may go immediately to the Governing Board for expulsion, even if the student has not had a previous suspension. The policy for GLAAZ which related to student suspension is based upon Arizona Revised Statute, Title 15- chapter 8, Article 843 which reads in part “...the authority to suspend a pupil or student from school is vested in the superintendent, the principal, or other school officials granted the power by the Governing Board of the school district.”

Expulsion Process

- In all action concerning the expulsion of a student, the Governing Board shall decide in executive session, whether to hold a hearing or to designate one or more hearing officers to hold a hearing to hear the evidence, prepare a record and bring a recommendation to the Board for action. Should the Governing Board determine that it will not designate a hearing officer it will also decide whether the hearing shall be held in executive session? The Governing Board shall give written notice, at least five working days prior to the hearing by the Governing Board or the hearing officer or officers designated by the Governing Board, to all pupils subject to

expulsion and their parents or guardians of the date, time and place of the hearing. If the Governing Board decides that the hearing is to be held in executive session, the written notice shall include a statement of the rights of the parents or legal guardians to indicate their objection to the Governing Board's decision to have the hearing held in executive session. Objections shall be made in writing to the Governing Board.

- No student shall be expelled unless the Governing Board has determined such punishment is applicable after a formal hearing is held by the Governing Board or a designated hearing officer.
- Parents may formally withdraw a student from school before the hearing. However, GLAAZ reserves the right to continue with the expulsion proceedings even if a student withdraws from GLAAZ.
- Students who are expelled may not reapply for admission within the current school year. Students who are expelled may apply for the next school year subject to Board approval
- The Individuals with Disabilities Education Act (IDEA) prohibits a school district from expelling a special education student until the Individualized Education Program (IEP) team has met. If the IEP team determines that the student's misconduct was not caused by the student's disability, a special education student may be expelled and the District may cease all educational services.

Fighting vs. Rough or Inappropriate Play

Fighting, defined as physical contact with another person intended to cause harm, is never appropriate on a school campus. This is distinguished from the type of play —especially that of younger students — in which participants may exceed the bounds of good judgment without intending to injure one another. Response to inappropriate play must be measured by the age of students and type of endangerment that results.

Firearms/Weapons (A.R.S. 13-3 101 through 13-3110)

It is strictly prohibited to possess firearms, any type of explosive devices, knives, or other dangerous instruments on district school grounds or at a school sponsored activity. A.R.S. 13-3 101 through 13-3110 further prohibits the concealment of weapons and possession of explosive devices and sales thereof.

1. Police will be notified and student may be prosecuted.
2. Parents will be notified.
3. Student will be suspended up to ten days to await a hearing.
4. If found guilty, the school shall make a recommendation for either a long-term suspension or expulsion.

Any student whose behavior while on campus is alleged to be in violation of the school's rules may be referred to the administration. In every incident, a written report of the alleged violation must be prepared in detail by the person(s) initiating the referral. The report must include the time, place, observed behavior, names of witnesses, description of violation, et cetera, and be delivered to the administrator within five (5) school days of the referring person's first knowledge of the alleged violation.

Gang Association or Activity

"For the purposes of school discipline, a gang shall be defined as a group of three or more persons who

- (1.) Have a name
- (2.) Claim a territory
- (3.) Have rivals/enemies
- (4.) Interact together to the exclusion of others, and
- (5.) Exhibit antisocial behavior often associated with crime or a threat to the community.

"Gang behavior that initiates, advocates, or promotes activities which threaten the safety or well-being of persons or property on school grounds, or which disrupts the educational environment, is strictly forbidden. Any student wearing, carrying, or displaying gang clothing, symbols or paraphernalia; exhibiting behavior or gestures which symbolize gang membership; causing and/or participating in activities which intimidate or adversely affect the educational pursuits of another student or the orderly operation of the school shall be subject to disciplinary action."

The following will be used to prohibit inappropriate and/or gang-related behavior on campus:

- Graffiti symbolizing gang membership or identification can inflame hostility between gangs and create a potentially violent situation. Students using graffiti may receive a suspension from school. Throwing signs may result in suspension.
- Baseball caps cannot be worn inside any enclosed area or they will be confiscated and returned to the student at the end of the school year. Baseball caps containing gang identification/graffiti will be turned over to the police department and can be retrieved by parents.
- Before or after-school altercations will be reported to the police immediately. School personnel, if necessary, will do follow-up.
- Weapons will be turned over to the police. Students will be suspended.
- Fighting will result in automatic suspension.
- Intimidation will warrant suspension.
- Students traveling to and from school who attend gang fights, and are identified by police, may receive detention by school personnel and/or a citation for loitering by the police.
- Students who continue to disrupt the educational process or pose a threat to other students due to gang-related behaviors will be recommended for long-term suspension or expulsion.

Reporting Suspected Crimes or Incidents (A.R.S. 15-153)

Staff members are to report any suspected crimes against a person or property that is a serious offense, involves a deadly weapon or dangerous instrument or that could pose a threat of death or serious injury and any conduct that poses a threat of death or serious physical injury to employees, students or others on school property. All such reports shall be documented and communicated to the Chief Academic Officer who shall be responsible to local law enforcement.

Conduct that is considered to be bullying, harassment or intimidation shall be addressed according to Harassment, Bullying, Hazing and Threats of Harm section of the Student/Parent Handbook. (A.R.S. 15-341)

PROHIBITED ITEMS and ACTIVITIES

The following items have no place at school: knives, weapons or replicas of weapons of any kind, fireworks of any kind, lighters, matches, cigarettes, tobacco products of any kind, drugs, alcohol, pornography, portable radios, laser pointers or pens, pagers, water guns, baseballs, and hardballs. These items and anything else that causes problems of control at school will be taken and disciplinary action will follow. The classroom teacher has the discretion to prohibit any item that is disruptive to the instructional environment.

Skateboarding

For the safety and protection of the GLAAZ community and visitors, the following regulations apply:

1. Skateboards shall not be used on GLAAZ campus grounds.
2. Members of the GLAAZ community and visitors, on the grounds of the campus or in its buildings, may have skateboards in their possession. If skateboards are carried into GLAAZ buildings, they shall not be placed in areas such as hallways, aisles, or other areas which will create hazardous conditions.
3. The faculty, staff, and administrative personnel of GLAAZ will report violations of the skateboard policy to the GLAAZ Administration.
4. Any student who violates the skateboard policy will be subject to disciplinary action, including but not limited to suspension from school.

Smoking

State law prohibits tobacco products on school grounds, in school buildings, in school parking lots or playing fields, in buses or other vehicles, or at off-campus events sponsored by the school. These provisions affect all traditional public,

charter, and private schools serving students in K-12. GLAAZ students, staff and visitors are prohibited from smoking anywhere on campus.

Discipline for violation of the Smoking Policy shall include the following:

1. Parents will be notified.
2. Student may be disciplined on campus.
3. Student may be suspended for not more than ten days and/or in lieu of a suspension, the student may participate in a tobacco education diversion program.
4. The student may be referred to the police and prosecuted for a petty offense, with a fine up to \$300.
5. Cumulative violations could result in a formal hearing and recommendation for suspension.

Smoking and Use of Tobacco Products (A.R.S. 36-798-03)

A.R.S. 36-798-03 prohibits the possession of tobacco products on all school grounds, buildings, parking lots, playing fields, buses and at off-campus school sponsored events. This law applies to all students, staff and visitors. Violations of this law are a “petty” criminal offense, punishable by a fine of up to \$300. Smoking or possession of tobacco products is not permitted on or within 300 feet of school property (school grounds, inside school buildings, in school parking lots or playing fields, in school vehicles) or at off-campus school sponsored events.

Teacher’s Authority to remove a student from Class (A.R.S. 15-841)

A.R.S. 15-841 gives teachers the right to remove disruptive students from their classrooms. A teacher may remove a student from their class by documenting abusive, threatening, disruptive, or unruly behavior. The referring teacher must submit supporting documentation within 24 hours of removal. Upon receipt of the teacher’s recommendation to remove the student from class, the principal shall remove the student unless he/she can produce evidence that the basis for the recommendation was arbitrary or discriminatory and/or procedurally incorrect. Upon removal, the following steps will be completed by the principal:

- (1) Arrange for placement of the student in another class or an alternative setting;
- (2) Contact the parents to inform them of their child’s removals from class and an explanation of procedures;
- (3) Arrange for appropriate continuation of the student’s instructional program by securing individual lesson plans, learning objectives, and activities from the referring teacher; and
- (4) Arrange for a meeting of the school placement review committee to be conducted within three days of removals.

Zero Tolerance

To ensure the safety of all students and employees, GLAAZ takes a strong zero tolerance approach in dealing with firearms and the sale or distribution of drugs on school campuses. Students who possess firearms or are engaged in the sale or distribution of drugs at school will be expelled. ARS 15-841 (G) stipulates that, “A charter school shall expel from school for a period of not less than one year a student who is determined to have brought a firearm to a school within the jurisdiction of the school district or charter school ...” GLAAZ will report threats made against the school, students, or employees to the police department, and offenders will be prosecuted to the full extent of the law. “Bullying” and/or harassment will NOT be tolerated. Bullying is the intentional, ongoing attempt to harm someone with physical force or teasing, taunting, threatening, and intimidation. The key component is that the bullying occurs repeatedly over time to create a pattern of harassment or abuse.

Students may also be disciplined for off-campus misconduct if their actions have a negative, direct impact on GLAAZ, program, other students, and staff. This would primarily apply to off-campus criminal behavior or activities.

Disciplinary action in this area will also reflect zero tolerance for possession or use of any other instrument in a dangerous, intimidating, or combative manner.

ELECTRONIC MEDIA

Internet access is available to GLAAZ students as an educational tool. The school's goal in providing this service is to promote educational excellence by resource sharing and gathering information and news from research institutions. Families should be aware that some material accessible via the Internet may contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other materials as well. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages; however, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources.

EMERGENCY PROCEDURES

Student safety is our foremost priority. Accordingly, AAEC has an Emergency Response Plan and Policy in place. Fire, evacuation and lockdown drills are held on a regular basis to prepare staff and students for emergencies.

FERPA

ANNUAL NOTIFICATION TO PARENTS REGARDING CONFIDENTIALITY OF STUDENT RECORDS

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school within 45 days of a request made to the school administrator. Schools are not required to provide copies of records unless it is impossible for parents or eligible students to review the records without copies. Schools may charge a fee for copies.
- Parents or eligible students have the right to request in writing that a school correct records that they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record; however, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions:

- School officials with legitimate educational interest (A school official is a person employed or contracted by the school to serve as an administrator, supervisor, teacher, or support staff member including health staff, law enforcement personnel, attorney, auditor, or other similar roles; a person serving on the school board; or a parent or student serving on an official committee or assisting another school official in performing his or her tasks;
- A legitimate educational interest means the review of records is necessary to fulfill a professional responsibility for the school;
 - Other schools to which a student is seeking to enroll;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, sports participation (including height and weight of athletes) and dates of attendance unless notified by the parents or eligible student that the school is not to disclose the information without consent.

FIELD TRIPS

Field trips should supplement and enrich classroom procedures by providing learning experiences in an environment outside the schools, arouse new interests among students, help students relate school experiences to the reality of the world outside of school, bring the resources of the community - natural, artistic, industrial, commercial, governmental, educational - within the student's learning experience, and afford students the opportunity to study real things and real processes in their actual environment.

A field trip is any planned journey by one or more students away from District premises which is an integral part of a course of study and is under the direct supervision and control of an instructional staff member or any advisor designated by the Chief Academic Officer.

The Chief Academic Officer shall prepare administrative procedures for the operation of both field and other District-sponsored trips, including athletic trips, which shall address:

- A. The safety and well-being of students;
- B. Parental permission is sought and obtained before any student leaves on a trip;
- C. Proper planning of each trip, and that field trip is integrated with the curriculum, evaluated and followed by appropriate activities which enhance its usefulness;
- D. The effectiveness of field trip activities judged by demonstrated learning outcomes;
- E. Trips should be planned so that students are not absent from school. In the event this is not possible, absences shall be limited to the least number of school days possible;
- F. Proper supervision of students by school employees; Parents are permitted to assist in such supervision, if appropriately approved as volunteers. The adult/student ration shall be 1:12 or less

- G. Student behavior while on all field trips complies with the Student Code of Conduct and on all other trips complies with an approved code of conduct for the trip
- H. The chaperone (staff member in charge) should have a copy of each student's Emergency Medical Authorization Form in his or her possession;
- I. Provisions have been made for the administration of medication to those students for whom medications are administered routinely while at school;
- J. Provisions have been made at the trip destination and in transportation, if and when required to accommodate students and/or chaperones with disabilities

An instructional staff member shall not change a planned itinerary while the trip is in progress, except where the health, safety, or welfare of the students in his/her charge is imperiled or where changes or substitutions beyond his/her control have frustrated the purpose of the trip. When alteration of the itinerary is necessary, the instructional staff member in charge shall notify the administration immediately.

FOOD IN THE CLASSROOM

No eating or drinking, other than bottled water, is allowed in the classrooms. Students should plan their time appropriately when eating so that they are not late to class. These guidelines are established to insure safety and compliance with the Maricopa County Health Department. The County and GLAAZ (as a Title I School) have strict regulations about food being served at classroom parties or students being rewarded with food and/or beverage products (i.e. pizza parties). Classroom parties can be held by any means of celebration other than offering food/beverage products.

If I have any questions about GLAAZ Information Technology Acceptable Use Agreement, I understand that I need to contact my immediate principal, IT staff or appropriate college official for clarification.

MEDICAL GUIDELINES

Immunization

This history includes the month, day, and year for each vaccination. Parents must show proof of immunizations; and, children will not be permitted to attend classes until the immunization history has been provided unless student qualifies for the McKinney-Vento Act.

Medication

A physician must authorize all prescription medication. Medication must be in the original container. The container must be clearly labeled. Medication must be brought to the school by the parent or other parent-designated adult. Along with a physician's written order, there must be parental written permission for each prescription medication. Students are not allowed to carry medication to administer to themselves, except for an asthma inhaler or an Epi pen as directed to do so by a physician. Teachers are not permitted to hold or administer medication to students at school.

Ailments such as diabetes, epilepsy, cardiac diseases, asthma, and allergies are some of the diseases that should be noted on health records and discussed with the GLAAZ Administration.

Prescribed medication will only be administered to students at school when there is a signed letter by the parent and a physician's prescription on record in the office.

The State Department of Health does not allow the school to administer over-the-counter medications to students unless written parental permission is provided. Please do not ask us by phone to administer any medication to your child.

Students who are in the possession of medically approved drugs, but have not followed the directions prescribed above, shall be warned for the first offense. All succeeding offenses he/she should be disciplined according to normal school disciplinary policies. Students with known vision/hearing problems should have yearly exams by their family specialist. Have your physician fax test results to GLAAZ. NON-DISCRIMINATION POLICY

GLAAZ does not practice discrimination on the basis of race, color, national origin, sex, handicap, or age. This policy is in compliance with Title IV of the Civil Rights act of 1964 (pertaining to race, color and national origin), Title IX of the Education Amendments of 1972 (pertaining to sex-equity), Section 504 of the Rehabilitation Act of 1973 (pertaining to handicap) and Age Discrimination Act of 1975 (pertaining to age), and covers admission and access to, and treatment and employment in, the school's programs and activities, including vocational education. Students, parents or guardians, employees, or members of the community who have any concerns about these regulations or who wish to file individual grievances should contact the GLAAZ Administration. GLAAZ recognizes its obligation to provide overall program accessibility throughout the school for persons with disabilities.

Legislation calling for community notification of sex offenders (A.R.S. 13-3825) took effect June 1, 1996. The legislation requires that law enforcement agencies, not schools, be responsible for notification of the neighborhood when a known sex offender resides in the area. The guidelines provide levels of notification based on the risk a particular sex offender poses to the community; there are three levels as determined by law enforcement officials. Level two and three sex offenders may present a danger to the community. When a level-two sex offender moves into a community, the law enforcement agency may notify the school district. In the case of level three sex offenders, the agencies shall inform the school district. GLAAZ will cooperate with law enforcement agencies by ensuring that principals and school staff members are notified as necessary. The Administrative office will maintain a file of the notifications that may be reviewed by community members. STAFF

Abuse of Staff (A.R.S. 15-507)

A person who knowingly abuses a teacher or other school employee on school grounds or while the teacher or employee is engaged in the performance of his duties is guilty of a Class 3 Misdemeanor. In order to maintain a safe, orderly school environment, the authority of school staff members acting in their official capacity must be respected. For this reason, any form of threat, verbal, written, or physical abuse of staff will be treated as a serious offense warranting suspension or expulsion or possible referral to the police department. If concern about a staff member's exercise of authority cannot be satisfied in direct, appropriate discussion with the individual, that concern should be brought to the attention of the administration.

STUDENT DROP/PICK UP AREA

Students are to be dropped off and picked up on West Mariposa Street on the designated area on the South side. For the safety of all concerned, do not use the parking lot in front of GLAAZ Building A.

STUDENT PROPERTY

Students are encouraged to use good judgment in what they bring to school. They should not bring items of great value to school. If they do so, they bring them at their own risk. The school assumes no responsibility for loss to students' personal property. Items that may cause a distraction in the classroom are subject to confiscation by administration and will be returned to the student after parent notification has been made.

STUDENT SEARCH AND SEIZURE

GLAAZ administrators have the right to search students and seize contraband. The U.S. Supreme Court has held that the Fourth Amendment warrant and probable cause standard does not apply to school officials who search students suspected of violating school rules. Instead, the legality of a student search depends upon reasonableness of the search in light of all circumstances.

- School administration must have reasonable suspicion that the student violated a law or school rule
- The scope and extent of the search must be limited to what is reasonable to serve the search purpose or prevention of a suspected infraction of law or school rules
- The search must not be excessively intrusive in light of the student's age and sex and of the gravity of the suspected infraction

STUDENT VEHICLES

Students are allowed to drive themselves to and from campus at the beginning and end of the day. They are not allowed to use their cars as lockers. They cannot visit their cars during the school day, including lunchtime, without expressed consent by faculty or administration. Students may park in either lot on the North side of Mariposa Street. Students driving to school are expected to maintain a valid driver's license.
