Florence Crittenton Services of Arizona

Immediate Hire ! ! !

Behavioral Health Technician (BHT)

Provides direct client care supervision to adolescent girls, ages 10-18 (clients) in a residential group home setting as part of a treatment plan. Participates in therapeutic interaction, guidance, support and role modeling to residents while monitoring resident behavior according to program guidelines. Fosters and creates positive relationships and communications with team members, residents, and resident families and visitors.

Qualifications:

High School Diploma or GED. Experience in social services field preferred. Must have valid Arizona driver's license and an acceptable driving record. EOE Drug Testing Required.

Youth Program Supervisor (YPS)

Provides direct supervision to Behavioral Health Technicians. Coordinates the interaction between adolescent girls, Therapists, Case Managers, and other treatment staff. Daily management of Residential Group Home unit. Ensures data within treatment program is documented and communicated. Provides supervision, develops schedules, and provides annual evaluations.

Qualifications:

Bachelor's Degree in Social Services plus three years supervisory experience in a social service organization, or equivalent education work experience. Must have and maintain a valid Arizona driver's license and an acceptable driving record. EOE Drug Testing Required.

Parent Aide

Works in collaboration with the Arizona Department of Child Safety to assist families with building positive parenting skills. The Parent Aide is responsible to transport children placed in out-of-home care to visitation with their siblings, parents and/or guardians, monitor and maintain timely and detailed documentation of each visit. In addition, educates and empowers families, promoting positive family outcomes.

Qualifications:

Associates Degree in Human Service field or directly related degree. Three to six months experience in the Human Services Field preferred (e.g., group home, shelter care behavioral health field) working with children, families, and/or adults. Knowledge and understanding of family dynamics and family centered services. Knowledge of and ability to access community resources. Must have a valid Arizona driver's license and an acceptable driving record. EOE Drug Testing Required.
